

Super S[®] De-Icer

TECHNICAL PRODUCT INFORMATION

Super S De-Icer

Super S De-Icer is a specially formulated mixture of alcohols that lowers the freezing point of the ice and allows it to be removed more easily with wipers or scraper

FEATURES/ BENEFITS

- Turns ice into slush even below freezing
- If applied in advance, retards ice formation and fogging on inside of windows
- Removes frost and ice from windshield, locks and mirrors
- Non harmful to rubber, metal, or paint finish
- Contains no CFC's

APPLICATIONS

- Spray on to windshield
- Wait a few minutes then remove slush with wipers or scraper.
