SATISFACTION

ENGINE PROTECTION PLAN

Protect engines against
oil-related problems for

300,000 miles

whichever comes first.*

The logo features the word "Super S" in a large, white, stylized script font with a black outline, set against a red background. A small white tag with the word "SATISFACTION" in red capital letters is attached to the bottom right of the "S".

Super S
SATISFACTION

A white ribbon with a black border and a drop shadow, containing the text "ENGINE PROTECTION PLAN" in bold, black, italicized capital letters.

ENGINE PROTECTION PLAN

The **FREE 300,000 Mile/ 10 Year Limited Engine Protection Plan** is a maintenance plan for customers who exclusively change oil with Super S Motor Oil every 4 months or 5,000 miles.

Register online at
www.SmittysInc.net

Click the Super S Engine Protection Plan logo and complete the application including your Super S Authorized Installer Number. Each qualified applicant will receive confirmation of their enrollment in the Super S Engine Protection Program.

**Protect engines against
oil-related problems**

**for 300,000 miles
or 10 years,**

whichever comes first.*

To Qualify:

- Vehicle is maintained with Super S engine oil every 4 months or 5,000 miles
- Vehicle has been manufactured within the last 48 months.
- Vehicle has been owned or leased less than 18 months by current owner.
- Vehicle has 75,000 miles or less.
- Vehicle has been regularly serviced in accordance with owner's manual specifications (severe driving conditions).

The oil filter and air cleaner elements must be maintained as recommended by the vehicle manufacturer. You need to take great care of your engine to make it last for 10 years or 300,000 miles and Super S Motor Oil will help you do just that.

* See the Super S Engine Protection Limited Warranty Statement for complete coverage online at www.SmittysInc.net.
