## 2-CYCLE

READY TO USE

# OIL & FUEL

**SUPER S SUPER FUEL** is made with premium synthetic oil and high octane fuel to provide the performance and protection that outdoor power equipment users need.

**SUPER S SUPER FUEL** is engineered using advanced stabilizers for extended shelf life, peak performance, easy start ups, quicker trigger responses and smooth idling. See the benefits of saving time and taking out the guesswork with Super S SuperFuel in comparison to manual pump gas and oil mixing.

**SUPER S SUPER FUEL** meets or exceeds the performance requirements of most manufacturers of air-cooled 2-cycle engines requiring 40:1 & 50:1 mix including:

STIHL • RYOBI • HUSQVARNA • ECHO

**ALWAYS CONSULT YOUR OWNERS MANUAL FOR PROPER MIX RATIOS.**

Our Synthetic Oil has passed the test requirements for JASO-FD, ISO-L-EGD, and API TC

# FUEL

**SUPER S SUPER FUEL** is made with premium high octane fuel to provide the performance and protection that outdoor power equipment users need. Does not oxidize like typical gasoline. Super S Super Fuel contains no ethanol which prevents downtime and repairs to your internal engine parts.

**SUPER S SUPER FUEL** is engineered using advanced detergents, modifiers and stabilizers for extended shelf life, peak performance, easy start ups, quicker trigger responses and smooth idling. See the benefits of saving time and taking out the guesswork with Super S Super Fuel.

**SUPER S SUPER FUEL** meets or exceeds the performance requirements of most manufactures of 4-cycle engines.

RECOMMENDED FOR USE IN

Trimmers

Chainsaws

Blowers

Generators

Lawnmowers

DESIGNED FOR LONG TERM STORAGE
