

Super S[®] Chain & Cable Lubricant

TECHNICAL PRODUCT INFORMATION

Super S Chain & Cable Lubricant is a high-performance solution designed to ensure the smooth and efficient operation of your industrial equipment. Engineered with precision and reliability in mind, this advanced lubricant is formulated to provide superior protection against wear, corrosion, and friction, extending the life of your chains and cables. Trust in the reliability and efficiency of Super S Chain & Cable Lubricant to keep your machinery running smoothly, reduce downtime, and enhance overall productivity. Super S Chain & Cable Lubricant goes beyond the basics, providing a level of protection that your equipment deserves.

FEATURES/ BENEFITS

- Exceptional Lubrication
- Corrosion Resistance
- Temperature Stability
- Long-Lasting Protection
- Versatile and Easy Application
- Environmentally Friendly

APPLICATIONS

Works well in the following applications:

- **Link & Roller Assemblies • Pulleys • Conveyor Chains • Winches • Hinges • Hoist Chains • Drawer Slides**
- **Springs • Forklift Trucks • Packaging Equipment & Much More**
